

To: People Interested in the Tiffany Park playground

Regarding: Upgrading of the Tiffany Park playground

GOOD NEWS. Money has been approved to help upgrade the playground on Tiffany Park Court. BUT we need people with a little time and a few ideas, to work together and make this thing come together. The main proposal for this year is to add a nice commercial grade swing set and wood chips. Since that is what we can afford this year, we'll have to fix up the slide fort. (varnish, fix protruding nails, etc.) And hopefully in the future we'll be able to add some other equipment.

If you have any skills or ideas we would love to hear about it at the annual HOA meeting to be held at Keene Mill Elementary School on May 13th at 7:30 PM. We need to show support for this project, because the money has been approved, and it could go elsewhere if we don't act on it now. Let's not make a big battle out of this, let's work TOGETHER and forget our adult egos so we can improve upon and make the playground safe for our children.

It doesn't matter if all you can do is dig a hole or push a wheel barrel, your help would be appreciated. Hopefully you'll be hearing more about this project.

We'll see you at the meeting. Everyone is welcome.
