Community is Generous with School Supplies

Thanks to all of our neighbors in KMV IV for helping to make this second annual school supply drive for Garfield Elementary another success.

Carol and Bernie Ward hosted a party at their home on August 15, the final day of the drive. Later that day, the Wards delivered 15 boxes of school supplies to the school.

The staff at Garfield ex-

pressed their sincere appreciation for these much needed supplies.

Election Day: Nov 7

If you plan to be out of town on election day, you may be able to vote by absentee ballot. Learn more: www.fairfaxcounty.gov/eb/absentee.htm.

Kudos to Community!

The Architectural Committee reports that many of the violations cited in the last walk-through have been corrected. Keep up the good work!

Reminder about Doors

Only two types of doors to the outside are allowed:

- a painted door that is solid
- a painted door that has a paned window on top

An architectural form must be submitted for any exterior change including changing your door or door color.

If you have questions about architectural guidelines or changes, contact our community manager, Kristine Caraway.

There were plenty of friendly faces and great food at the annual KMV4 fall cookout on the last day of September.

Thank you to Sarah DiGioia for organizing the cookout and heading the social committee for the past two years!

(That's Sarah in the bottom right corner with baby Jack.)
