Be alert for children running in the streets, darting between cars and wearing dark clothing and costumes. Parents... please remind your children to use caution and be safe this Halloween.
Kids ...carry a flashlight!

WE COULD NOT HAVE DONE IT WITHOUT YOU ...THANK YOU!!!!!!

Our paving project is complete!! Thank you for your patience and cooperation during this difficult time. Because of your cooperation, we were able to complete the project ahead of schedule. Thank you for moving your cars on time, following the requests for no trash pickup and putting up with all the noise and inconvenience! Thank you for showing community spirit, without it, we could not have completed this important project,

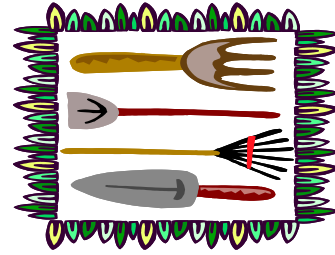

To help maintain our roads, please be alert to oil and fluid leaks from your cars. If you notice a problem, please have it repaired as soon as possible. Also, please remember, changing oil or doing car repairs in parking spaces is strictly prohibited by KMV4 bylaws.

Fall Back!

Turn back your clocks one hour on Sunday, November 4th!

It's also a good time to check the batteries in your smoke detectors!

Clean Up and Spruce Up!

With the weather changing, now is a good time to clean up your yard before winter.

Also, protect your home and have your gutters cleaned of leaves and debris before the ice and snow of winter.

There will be a re-inspection of all properties in our community in early November. If you were cited for a violation and received a letter, please make sure you in compliance.

Traffic Proposal - Speed Hump:

Our community is working with VDOT and the other surrounding KMV communities to slow traffic on Fieldmaster Drive, near Blarney Stone. The measure is an attempt to make our community safer for people crossing Fieldmaster, children boarding the school bus, and people out enjoying the neighborhood.

A petition was circulated last year, and we are now preparing for a public meeting to discuss the issue. VDOT and Fairfax County will be holding this public meeting to discuss the issue. All interested parties are welcome to attend. We will keep you posted as to the time and place of this meeting,

In Our Community.....News and Information.....

Vehicle TheftsDuring the night of October 9th, a resident of Chaney Court had his Dodge Caravan minivan stolen from the parking circle near Fieldmaster Drive and Chaney Court.

A motorcycle was also stolen that night from 9096 Tiffany Park Court.

If you have any information regarding either of these thefts, please contact Fairfax Country Police at (703) 691-2131. (non emergency)

Help keep our neighborhood safe! Please turn on your porch lights at night. Porch lights not only help make our neighborhood safer, they also discourage crime. Report any suspicious activity or vehicles to the police. (703) 691-2131. If we work together and watch out for each other, we can make our neighborhood a safer place.

Neighborhood Watch.....Our neighborhood watch program needs your support! We are seeking a Coordinator and neighbors to get involved. We can all do our part by watching out for our neighbors and reporting suspicious activity. Please consider volunteering for either the Coordinator position or a member of our neighborhood watch. More information will be available at the annual meeting on November 15th.

Trash and Recycles:.....We have had several complaints regarding trash cans and bins left out after pickups. Please remember to take in your cans and bins, do not leave them sitting out at the curb.

Stay Informed.....Add your name to our KMV4 email list! By adding your name to this email list, you will receive updates and reminders about community activities and important dates and information. Simply send an email to info@keenemillvillage.org to join our mailing list.
